

## The Laboratory for Gratitude in Youth

*Blessed are those who can give without remembering and take without forgetting.*  
**-Elizabeth Asquith Bibesco**

*You say grace before meals. All right. But I say grace before the concert and the opera, and grace before the play and pantomime, and grace before I open a book, and grace before sketching, painting, swimming, fencing, boxing, walking, playing, dancing and grace before I dip the pen in the ink.*

**-G.K. Chesterton**
